

### REGIONAL APPAREL FUND

The Region 5 Apparel Fund was established to reward our athletes for the dedication and sacrifices we all know they make for our sport. The purpose is to SPOIL our athletes and to make them feel like champions even before they get to nationals. This year we raised over \$130,000 that will be spent on some 70 athletes and coaches.

Our main source of revenue for the FUND is our REGIONAL TRAINING CAMPS. Coaches and judges DONATE time and all the proceeds go directly to the FUND. We have had outstanding support by a majority of clubs from within the region and the camps are a tremendous success. In order to be FAIR, we have eligibility rules for receiving this regional apparel and other benefits.

Each club eligible for the rewards participate in the funding in some significant way. Coaches must work/coach at a regional training camp for a full weekend. NO support, NO REWARDS.

SO If your club had a coach(es) volunteer and work in this year's training camps.... Athletes receive FREE REGION 5 apparel and additional items. If not, the club must contribute a \$300 donation, or \$600 to cover more than one athlete.

If a coach worked a FULL camp...they get FREE STUFF.... If not, THEY PURCHASE IT.

Gymnasts who paid to attend a regional training camp are eligible to have their national entry fee paid by the region. This includes JO Nationals, NIT and Eastern Nationals

Gymnasts who did NOT attend a regional training camp must pay their entry fees for JO Nationals, NIT, Eastern Nationals
